Book of Psalms

Written by at least seven authors (of which David is the most notable), the book of Psalms spans one thousand years of Israel's rich history—from the time to Moses to the return from exile in Babylonia. Used as the Temple hymnbook, the Psalms express the diversity of human emotion—praise to God in good times, fear of enemies in bad times, and an overriding confidence in God's goodness, majesty and power.

Monday Night For The Master: Tomorrow will be visitation. If you know of someone needing a visit, please get the information to either Richard or Marilyn.

Travelers: Larry & Becky and John & Julie are spending time with their children. Fred & Mary and Jan & Mike will be returning late on the 13th. Richard & Carol will be traveling to Logan, New Mexico next weekend.
