Hard Work = Satisfaction

Hard work and satisfaction go together. Some of our members have experienced this first hand recently at Haven House in Olathe, at Sharing Our Blessings, and in Globe, Arizona building houses for the needy .

These efforts show what wonderful things can be accomplished when we team up with God as his faithful servants. The camaraderie shared during these times inspires us to a greater faith and personal involvement.

Many things are done quietly as individuals, and they are greatly appreciated. However, Hebrews 10:24 says “And let us consider how we may spur one another on toward love and good deeds.” An initial satisfaction comes upon completing the task and reflecting on the precious opportunity God just shared with us. Ultimate satisfaction will come when we hear God say, “Well done thou good and faithful servant”. (Matthew 25:21, 34-40)

Paul often expressed appreciation for and to his fellow-workers as their relationships were invaluable to him. I find that holds true for me, and probably for all of you as well. Way to go! Thanks to all of you!

- Wendell

Book of Nehemiah

A contemporary of Ezra and cupbearer to the king of Persia, Nehemiah leads the third and final return of the Jews to Jerusalem after the Babylonian exile. Under his leadership the people undertake the enormous task of rebuilding the holy city's battered walls, destroyed almost a century earlier. Despite opposition from without and abuse from within, the task is completed in only fifty-two days—a feat that even Israel's enemies must attribute to God's power.

Monday Night For The Master: Tomorrow night will be an evening of prayer. Please let Richard know if you are attending so Carol will know how much food to prepare.

Travelers: Gage's and Politz's left for a cruise and will be gone for about a month. John & Julie are traveling to California for a wedding. Diana & Tom will be gone for a couple of Sundays,

Devotional: Today is the Sunrise Creek devotional at 1:30 p.m.

Help Needed: Kelly, a neighbor of Sherry and Doyle's, has a broken pelvis and ribs from a horse accident and is divorced. She needs a couple of men to finish clearing brush from her irrigation canal banks. If this is something you can help with, see Sherry and she will give you the information to contact Kelly.

Thank You!

Terri, Carline & Sherry wish to thank all for the donations, help and cookies for Sharing Our Blessings. Many people in need were served by this benevolent outreach event. There will be another event in the spring and then yearly in springtime.

Update from Malawi

Katoto Church of Christ's new building in Mzuzu Malawi. We are now through with the building and ready to roof it when roofing materials can be found. The Church now worships inside this unroofed building in hot dry season time. Soon the rain comes by end of October. The pictures show how the project progressed. - Moster
